Incident Details:	<p>On Saturday, February 12, 2022 at approximately 10:00pm Resident Advisor (RA) Rivera began to complete rounds in Hemlock Suites. At approximately 10:15pm RA Rivera walked into the 1st floor lounge and saw a student leaning across a table.</p> <p>RA Rivera approached the student and asked if she was okay. The student nodded yes without moving off of the table. RA Rivera did not recognize the student so she asked for her name. She responded with “Wendy” and turned over on the table. RA Rivera asked again, “Are you sure you’re okay? It looks like you are tired.” Wendy responded with “I’m fine, leave me alone.” and kept saying that she was fine.</p>

Incident Referral Category	Information Submitted for the (Sample) Incident Referral
<p>Incident Details (Continued):</p>	<p>RA Rivera had a difficult time understanding Wendy because Wendy’s speech was slurred. RA Rivera called University Police at 10:23pm because she was concerned for Wendy’s well-being.</p> <p>Officer Parker arrived to the lounge at 10:30pm and took over the situation. RA Rivera stayed nearby and mostly observed during this portion of the incident.</p> <p>Around 10:50pm, the RA Rivera saw Wendy move from the table she was sitting on over to a nearby lounge chair. RA Rivera saw Wendy try to stand up and walk away, but she into a support column in the middle of the room. It looked like Wendy bumped the right side of her body. Wendy immediately sat down on the floor and started complaining that her arm hurt. Officer Parker called for an EMS response since Wendy was crying and talking about her arm hurting.</p> <p>While waiting for EMS to arrive RA Rivera noticed that there was a large dent in the column that wasn’t there earlier. RA Rivera submitted a work order for the facilities team to repair the damage.</p>

Incident Details:	<p>Referral to Student Conduct and Community Standards– Alcohol Related Incident from Saturday, February 12, 2022</p> <p>At 10:23pm Resident Advisor (RA) Rivera requested assistance to Hemlock Suites First Floor Lounge. RA Rivera reported that there was an unknown female laying on a table displaying signs of intoxication. This Officer arrived on scene at 10:29pm and found RA Rivera with the female student (later identified as Wendy Warrior, 20-years-old) sitting at a table on the right wall of the lounge.</p> <p>Wendy Warrior (Referred Student) was laying on her stomach on top of the table. Referred Student appeared to be humming a song. This Officer asked questions to determine the Referred Student’s name, age, and assess their level of alertness.</p>

Incident Referral Category	Information Submitted for the (Sample) Incident Referral
<p>Incident Details (Continued):</p>	<p>Referred Student verbally provided their name (Wendy Warrior), stated that they are 20-years-old, and stated that they live in Laurel Hall. Referred Student displayed multiple signs of intoxication including slurred speech, glassy eyes, and there was an odor of alcohol emanating from their person.</p> <p>This Officer asked Referred Student for an identification card. Referred Student provided a Driver’s License from another state with a name of Wendy Warrior and a Date of Birth listed as January 1, 2000. This Officer asked if the student had any other identification. Referred Student provided a PA License with correct Date of Birth (January 1, 2002) and ESU ID Card with accurate information. This Officer photographed the fraudulent identification card.</p> <p>This Officer began explaining the process of a citation. Referred student admitted to using the false identification card to gain entry to a local nightclub. As this Officer was issuing a citation, the Referred Student stood up and walked toward the lounge doors. The Officer heard the student say “You can keep my ID card, I’ll just get another one”. Referred student’s head was turned to their left-shoulder. This Officer saw the student walk into the column in the middle of the lounge. Referred Student fell to the floor and began holding her right arm. Referred Student yelled, “Ow, my arm!” and began to hold their right arm close to their stomach.</p> <p>This Officer called for EMS response at 10:52pm to assess the Referred Student’s arm. EMS arrived on scene at 11:00pm. EMS provided verbal instructions to the Referred Student to follow up on Monday if her arm was still sore. EMS medically cleared the Referred Student at 11:15pm. This Officer walked the Referred student back to their room in Laurel Hall, arriving at Laurel Hall at 11:20pm.</p> <p>End of Incident. Citation #123-456 issued for the Referred Student.</p>
